

Day of Procedure

Some Helpful reminders:

- Bring your insurance card(s)
- Bring a photo ID
- Bring any Co-pay or Co-insurance amounts that may be due
- Bathe or shower prior to coming to the Surgery Center
- Remove all make up and nail polish.
- Dress in comfortable, loose clothing
- Low, comfortable shoes are recommended.
- Leave all jewelry and valuables at home. We cannot be responsible for lost or damaged property
- If you regularly use inhalers please bring them with you.

At the Surgery Center after you are admitted:

- An anesthesiologist and a registered nurse will visit with you to discuss your care and answer any questions you may have.

Your procedure will be performed only after you have spoken with your physician, signed the appropriate consents, and all your questions have been answered.
