

## Patient Checklist

Please review the checklist below the day before your procedure and follow the instructions to avoid any delays on the day of surgery.

1. Nothing to eat or drink after midnight the night before, unless otherwise instructed by your physician. No smoking, water, food, gum, cough drops, breath mints, etc. If you fail to follow these instructions, it is likely your procedure will be canceled. Please brush your teeth but DO NOT swallow the water.
2. Do not bring or wear jewelry including body piercing. Please leave all jewelry at home.
3. Wear loose fitting comfortable clothing, what you arrive wearing is what you leave in.
4. If you need glasses, wear them to the Surgery Center. Please bring a case to secure them in. You will be required to remove them prior to your procedure.
5. Dentures and hearing aids may be removed prior to your procedure. Please bring a case to put them in.
6. Please bring a list of your medication(s) with you on the day of your procedure.
7. Any changes in your health prior to your procedure, please notify your physician immediately.
